

Project Management

Project Manager

Ref: 1449044

Highly competent PRINCE2™ & APM trained Project Manager and Scrum Master. Has delivered many complex high value programmes into a number of dynamic market sectors.

Educated to Masters Degree level and has vast experience dealing with task and people issues relating to project delivery.

Career highlights include:

Increasing Lockheed Martin Business Unit annual sales revenue by 34% and more importantly increasing ROS by 8% over previous years.

Designing, implementing and formalising a full service supply NPI programme management system at Stadco. Delivering the Daewoo P150 vehicle.

Delivering the ITRANS 2020 package. Dealing with Government which added a very interesting element to an already complicated stakeholder mix.
